Diet Dr. Pepper
1 of my 1 million favorite things. A ton
When IÂ's a kid, I used to say,
Â"WhoÂ's related to George Washington?Â" Â"Denzel
Washington!Â"

[Chorus]
I need my Diet Dr. Pepper
Without it, I canÂ't live
I need my Diet Dr. Pepper
Without it, I canÂ't live

(I need it, I need it, I need it so bad!)

Excuse me! I just burped!
Probably from the previous song
I get more grace than I deserve
The SpriteÂ® didnÂ't last long

WhatÂ's the point of the song?
Are you an idiot or something?
I need my Diet Dr. Pepper!
HavenÂ't you been listening all along?

[Chorus x2]
