You don't eat enough [x2]

[Chorus]

Hey, kids! Box & bowl!

Poured the milk! You lost control!

Just eat it! (Eat it!) Drink it! (Drink it!)

Whatcha whatcha gonna eat with it? [x2]

You forgot the box & bowl

When you sat down with your soul

It's time to lose control

So let your spoon know

Let your feet hit the floor

While your bowl can hold some more

Makin' people say, "No!

You spilled some on the floor!"

So whatcha gonna do about it?

Do whatcha gonna do about it

Tell me something, whatcha gonna do about it?

Showin' everybody what you eat with it [x2]

[Chorus]

When I spilled milk on the box

Hey you all

Just go get a towel

Please know that it's all my fault

When I knock-knock-knock-knock

Knock the box off!

I laughed at the messy scene

Made my mom start to scream

The knocked-it-over scene; think I dropped it

When I knock 'n' drop see?

I cause a big scene

Whatcha Whatcha gonna eat with it?

Make sure your stomach's in tune with it

Just swat away that really annoying fly

Just rock to the beats of Family Force 5!

[Chorus] [x2]

Oh no you di'nt!
It's gettin' clean up in here
So whatcha gonna eat?
Fun, knock & drop makes you want to lose control
You've got to move your bowl, you're the star of the
show! (Whatcha gonna eat wit' it?)
Get your friends together
It's time to eat some breakfast (Eatin' breakfast!)
There's a new agenda:
Get-get out the bowl. Now eat!

[Chorus] [x4]
