This strength is This will is These are the only things I own. Inspiration is still waiting Waiting for most of us to learn that revolution is from the inside out. That revolution is from the inside out There's a strength in survival say yourself this soft recital. The words are forming, but the words are nothing if they don't have meaning I see you nodding, do you stand for something or were you just talking? Let's count our losses with a one, two, three, four, five?six? seven?, eight ? Feels like we're losing, but we've just begun so we might be winning We've just begun so we might be winning. That revolution is from the inside out Lets start today from the inside out.
