There's a dark and a troubled side of life,
But there's a bright and a sunny side too.
Though you meet with the darkness and strife,
The sunny side you also may view.

Keep on the sunny side, always on the sunny side,
Keep on the sunny side of life
It will help us evry day, it will brighten all the way
If we'll keep on the sunny side of life

Though the storm and its furies rage today,
Crushing hope that we cherish so dear
The cloud and storm will in time pass away
And the sun again will shine bright and clear.

Keep on the sunny side, always on the sunny side,
Keep on the sunny side of life
It will help us evry day, it will brighten all the way
If we'll keep on the sunny side of life

Let us greet with the song of hope each day
Though the moment be cloudy or fair
And let us trust in our Saviour always
He'll keep us everyone in His care

(x2)Keep on the sunny side, always on the sunny side,
Keep on the sunny side of life
It will help us every day, it will brighten all the way
If we'll keep on the sunny side of life
