"And The Beat Goes On"

(And the beat goes on)
Just like my love (everlasting)
(And the beat goes on)
Still moving strong (on and on)

Do you ever wonder
That to win, somebody's got to lose
I might as well get over (the blues)
Just like fishing in the ocean
There'll always be someone new
(Who loves you better) You did me wrong
But I've been through stormy weather

(And the beat goes on)
Just like my love (everlasting)
(And the beat goes on)
You'd better believe it
Still moving strong (on and on)

Don't stop for nobody
This time I'll keep my feet on solid ground
Now I understand myself (when I'm down)
Like the sweet sound of hit music
There'll always be something new
(To keep the tables turning)
Hey, they sing-along, but there'll never be an ending

(And the beat goes on)
Just like my love (everlasting)
(And the beat goes on)
Still moving strong (on and on)
The beat goes on, the beat goes on, the beat goes on
The beat goes on, the beat goes on, the beat goes on

Get down playing that feel, be sure the beat is real
(The beat goes on)

(Do you ever wonder)
Well, that to win, somebody's got to lose
I might as well get over (the blues)
Just like fishing in the ocean

There'll always be someone new
(Who loves you better) Girl, you did me wrong
But I've been through stormy weather

(And the beat goes on)
Just like my love (everlasting)
(And the beat goes on)
Still moving strong (and I love it)

(And the beat goes on)
Keep moving, keep moving right on
Just like my love (everlasting)
(And the beat goes on)
Just like my love, babe
Just like my love, my love, baby (on and on)

(And the beat goes on)

(Don't stop the groovin')
(Don't stop the groovin')

(And the beat goes on)
Just like my love (everlasting)
(And the beat goes on)
Got to make it last
Still moving strong (and I love it)

(And the beat goes on)
Feel the beat it goes on and on and on
Just like my love (everlasting)
(And the beat goes on)
Still moving strong (and I love it)

(And the beat goes on)
Just like my love, babe, just like my love, baby
(everlasting)
(And the beat goes on)
Still moving strong (and I love it)

The beat goes on, the beat goes on, the beat goes on
The beat goes on, the beat goes on, the beat goes on
The beat goes on, the beat goes on, the beat goes on
The beat goes on, the beat goes on, the beat goes on

(And the beat goes on)
Just like my love (everlasting)
(And the beat goes on)
Still moving strong

(And the beat goes on)
Just like my love (everlasting)

(And the beat goes on)
Still moving strong (and I love it)

(Repeat)
