Everybody fakes
Everybody cheats
Everybody crawls
Everybody creeps
Everybody hopes
Everybody sleeps
Everybody dreams
It's a mystery
Well alright
Oh yes
Everybody's a snitch
Everybody's a snake
Everybody's a fool
Anybody will take
Everybody's repressed
Everybody's vain
Everybody's sick
Everybody's the same
Well alright oh yes...
Don't you know you're a radio
When you get a good reception you begin to glow
Don't you know you're a radio
When you get a good reception you begin to glow
I hope you're gonna learn
Pretty soon you're gonna burn
Everybody's a Turk
Everybody's a Jew
Everybody's a religion
Everybody's you
Everybody's scared
Everybody's zipped
Everybody's hogtied
Assholed
Well alright oh yes...
Everybody's nice
Everybody creates
Everybody's beautiful
Everybody's devine
Everybody's a ship
Everybody got sails

Everybody has genius
Everybody wails
Don't you know your a radio
When you get good reception
You begin to glow
Don't you know you're a radio
When you get good reception
You begin to glow
I hope your gonna learn
Cos pretty soon you're gonna burn
