Excuse me miss what's your name  
The way you move you hips its a shame  
And that dude you wit is lame  
Me and you can spit in my range

But I see you here wit your man  
I just asked for the quickest dance  
He kind of salty when I kissed your hand  
Keep walkin' girl, fix your pants

But I see a bunch of nosy hoes  
Couple niggas here owe me doe  
Let me handle this before they close  
You can meet me at the closest mo' inn

I ain't the one that'll sweat a ho  
If you frontin' I'll check a ho  
I see you love how the necklace glowin'  
On the floor girl you flexible  
Now bounce

(chorus)  
Bounce that ass  
Shake dat ass  
Shorty you can move dat ass  
Slow it down and work dat ass  
C'mon shorty do dat dance for me

Bounce dat ass  
Shake dat ass  
Shorty you can move dat ass  
Slow it down and work dat ass  
C'mon shorty I know you a freak

I'm seein' bitches thats thick and shit walkin' past  
Hoes on the floor poppin' and droppin' dat ass  
Tryin' to come up on niggas that got cash  
Somethin' like we the dumber family

Off in the club wit thugs that got heat  
We plugged in the street and down wit IC  
Co wit those hoes hommie

Competition should not be mentioned

Your bitch is missin'  
Who would have thought I was taught to spit this diction  
Nut off in your bitch face and the cum goin' glisten'  
You know the grill and the wheels is bitchin'

Once I exit the club wit my thugs and henchmen  
We known for pimpin'  
Not cuffin' dames  
But you can keep your head shorty just gimme' them  
brains  
You know done rough ho just to much ho  
Now make that ass clap like a strap and get low  
So bounce

(chorus)

Damn white boy she thick as fuck  
And her sports bra got her tits sittin' up  
Yeah if I take her to the truck my dick get sucked  
We gotta' cuff this runner she the thickest slut

Yea that's what's up but I ain't gonna' work the middle  
I'm tryin' to get me some brains and get drained a little  
That's cool don't talk nigga make the move  
Look at the bitch she drunk and she in the mood  
Then move out the way cause she's gettin' away  
Hey shortay!

Hey check it out ma, what you want for the rest of the  
night?  
Nut  
You hungry?  
Yea  
You wit me?

Ha Ha lets go nigga  
It's fa' sho' nigga  
We got that ho nigga  
We to the mo' nigga  
Sip a lil' henni' bottle  
A lil' dro' nigga  
This is for the gold diggers here to send em' home
