Here I am at another dead end  
Stopped in my tracks again  
Closer then I've been to where I wanna be  
A broken heart standing in my way  
Big as life on a real bad day  
Making lemons into lemonade  
Ain't nothing new to me No  
This ain't no stumbling block  
It's just a stepping stone  
I'm gonna climb right up on top  
And take a good look at where I'm going  
And it ain't gonna slow me down  
Hold me back or turn me around (Stepping Stone)  
This ain't no stumbling block (Stepping Stone)  
It ain't no stumbling block (Stepping Stone)  
This ain't no stumbling block  
It's just a stepping stone  
Now looking back I realize  
How hard it is to recognize  
Opportunity in disguise  
That's some Clamady  
So I ain't gonna cuss my luck  
Every time a door slams shut  
I know a window's gonna open up  
Just as long as I believe  
Repeat Chorus  
Repeat Chorus
