(verse:)

you got everything you want you happy now sayin  
everything is good but you never smile when your  
alone i know what you thinkin bout where he at where  
he at where he at now Bsection: thought we were cool  
thought we were friends tied up them phone nights and  
weekends but chose him and all all this time you  
couldnt see me but dont look now (Hook):girl im gone  
gone you didnt want me when you had me girl im gone  
gone im sorry he didnt make you happy but baby im  
gone out here flowin on a breeze YUP i know you wanna  
get at me but baby im gone im everywhere you wanna  
be YUP you didnt want me when you had me so baby im  
gone (verse2): like i got rockets on my shoes kinda like  
im allergic to your perfume you wont catch up play tag  
with the other dude so where he at where he at where  
he at now ( BSECTION/HOOK/BRIDGE): im gone like a  
G5 YUP im gone like bell bottoms and hive fives YUP im  
out like usain bolt faster than a train go thought you  
were slicker than a rain coat baby im gone uh lets go  
uh so baby im gone uh mb where we goin( HOOK X2)
