[Prodigy/Soulja Boy:]

I lean!
Soulja Boy tell 'em
Mindless Behavior
I lean!
Watch me, watch me
Aye! Aye!
I lean!
Watch me do it!
I lean!
Soulja Boy tell 'em

[Chorus:]

She like the way I lean,
You know I had to do it
Shawty she so fine,
Man, my game is stupid, stupid, stupid
DJ run the music
I can read her mind,
And she's about to lose it, lose it, lose it
She's about to lose it,
Shawty she so fine,
Man, my game is stupid, stupid, stupid
DJ run that music
I can read her mind
And she's about to lose it

[Prodigy:]

G-got her nickname from her necklace
That's a go
I love the way her polish make her nails look like they
glow
I-I can tell she fly when she ain't got nowhere to go
She keeo that hair and make-up like she starring in a
show
Wanna se what she got on this party tho
We gettin' turnt up on the floor,
She wanna be kept on the low
Why pretty girl's don't dance no more?
When her home girl say go on girl
I know she would be rollin', rollin', rollin', rollin'

[Chorus:]

She like the way I lean,
You know I had to do it
Shawty she so fine,
Man, my game is stupid, stupid, stupid
DJ run the music
I can read her mind,
And she's about to lose it, lose it, lose it
She's about to lose it,
Shawty she so fine,
Man, my game is stupid, stupid, stupid
DJ run that music
I can read her mind
And she's about to lose it

[Soulja Boy:]

Shawty so fine,
One of a kind
Looking so sexy
Always on my mind
Shawty so turnt up
Turn around and drop it
I wanna see you move it,
Turn around and pop it

[Prodiy:]

My baby put her technique on display
She do it like she practice in the mirror everyday
You know she starts to feel it when she flips away her
bangs
All her girls giggle,
But the homies be like, "Dang!"
Run it back, run it back one more time,
That's wassup
Talk real talk,
Now back it up
Rep yo city
Give it up
Lights on lights off
We switchin' up
Bounce to the left side then the right side
She drop it then she roll it, roll it, roll it, roll it

[Chorus:]

She like the way I lean,
You know I had to do it
Shawty she so fine,
Man, my game is stupid, stupid, stupid
DJ run the music
I can read her mind,

And she's about to lose it, lose it, lose it
She's about to lose it,
Shawty she so fine,
Man, my game is stupid, stupid, stupid
DJ run that music
I can read her mind
And she's about to lose it

[Bridge(Prodigy):]
Hello, wassup?
We are... turnt up
When you... decide
To lose... ya mind

[Roc Royal:]
Uh, lemme get it Prod!
Wassup with cha?
You in here with yo sista
She havin' all the fun
And you takin' all the pictures
I think you're the prettiest one,
Never mer a girl like you

[Soulja Boy:]
Roc, lemme tell her!
Shawty, you so cool,
You know what to do
Baby girl said she got a thing for young dudes
Notice that I stay with brand new chains and brand new
shoes
Snapback, white T, and an iPad
She like the way I lean
Baby girl you bad
Let's chill and watch a movie
And do what we do
Baby girl, you so hot,
Welcome to the crew
I like the way you move it,
I like the way you pop it
So you should keep on going,
And, girl, you shouldn't stop it

[Chorus:]
She like the way I lean,
You know I had to do it
Shawty she so fine,
Man, my game is stupid, stupid, stupid
DJ run the music
I can read her mind,
And she's about to lose it, lose it, lose it
She's about to lose it,

Shawty she so fine,
Man, my game is stupid, stupid, stupid
DJ run that music
I can read her mind
And she's about to lose it

Hey! Hey!
She like the way we lean
Oh yeah!
