G-got her nickname on her necklace that's a go

I love the way her polish makes her nails look like they
glow

I-I can tell she fly when she ain't got nowhere to go.

She keep that hair and make up like she's starring in a
show

Wanna see what she got on, this a party though

We gettin' turnt up on the floor

She went on me on the low
why pretty girls don't dance no more?

When I'm on girl, say gon' girl

I know she would be rollin'(x4)

She like the way I leann
You know I had to do itt

Shawty she so fine, man my game is stupid

Stupid,stupidd

I can read her mind and shes about to lose ittt

Lose it, lose it

Shawty she so fine

Stupid, stupid

I can read her mind and shes about to lose it

Shawty so fine one of a kind
Looking so sexy always on my mind

Shawty so turnt up turn around and drop itt

I wanna see you move it turn around and pop it

B-b-baby put her technique on display

She do it like she practice in the mirror everyday

You know she start to feel it when she flip away her
bangs

All her girls giggle but the homies be like daang

Run it back, run it back one more time that's wassup

Talk real talk now back it up

Rep yo city Now give it up

Lights on lights off we switchin' up

Bounce to the left side then the right side

She drop it then roll it roll it roll it roll it

She like the way I leann
You know I had to do itt

Shawty she so fine, man my game is stupid

Stupid, stupid
Dj run the music

I can read her mind and shes about to lose itt

She's about to lose it

Shawty she so fine

Stupid, stupid
DJ run that music

I can read her mind and shes about to lose it

Baby girl said she got a thing for young dudes

Notice that I stay with brand new chains and brand new

Lets chill and watch a movie and do what we do

Baby girl you so hot welcome to the crew
