(Intro)

You ready?
'Cause I'm ready
For love

(Verse)

Remember the first time I saw you in the crowd
Lookin me up and down, checkin me out
Slipped you my number and you promised you would
dial
And from that moment I could not forget your smile

(Pre-Chorus)

All I ever did was think about you
Every time I dream, I dream about you
I know there are times that I'm gone
And it's hard, 'cause you're alone
But I promise Shorty, I won't do you wrong
And if you ever forget, play this song

(Chorus)

So I'm ready for love
I'm ready for love
Girl, I think I'm ready for love
So I'm ready for love
I'm ready for love
You're the only one that I want
So I'm ready for love
All I want is you
Nobody else would do
So I'm ready for love
I'm ready when you ready baby, yea I think I'm
ready for love

(Verse)

In my hotel suite, in my bed I can't sleep
'Cause you keep runnin through my head
Then I drift off then dream, that you're here with me
But I wake up all alone from my dream

(Pre-Chorus)

All I ever did was think about you
Every time I dream, I dream about you
I know there are times that Iâ€™m gone
And itâ€™s hard, â€™cause youâ€™re alone
But I promise Shorty, I wonâ€™t do you wrong
And if you ever forget, play this song

(Chorus)

So Iâ€™m ready for love
Iâ€™m ready for love
Girl, I think Iâ€™m ready for love
So Iâ€™m ready for love
Iâ€™m ready for love
Youâ€™re the only one that I want
So Iâ€™m ready for love
All I want is you
Nobody else would do
So Iâ€™m ready for love
Iâ€™m ready when you ready baby, yea I think Iâ€™m
ready for love

(Verse)

Between interviews and show time
It always seem I have no time
But I hit you when I text you too
To let you know youâ€™re on my mind
Smiley faces, tweet pics
Quick reminder of who you with
If you ever loved itâ€™s time to know
The other words Iâ€™m so sick
â€™Cause I miss you baby every time I go
Another show, another time zone
Well was it settled? Can I get a minute?
You already know what Iâ€™m on
Late night, pijamas on
Skype up with your camera on
Whatever it takes to give your attention
Prove to you yall I ball â€™cause

(Chorus)

So Iâ€™m ready for love
Iâ€™m ready for love
Girl, I think Iâ€™m ready for love
So Iâ€™m ready for love
Iâ€™m ready for love
Youâ€™re the only one that I want
So Iâ€™m ready for love
All I want is you
Nobody else would do
So Iâ€™m ready for love
Iâ€™m ready when you ready baby, yea I think Iâ€™m

ready for love

Iâ'm ready
