Ok, ok
One two
Whipcrack
Whipcrack

Baiting,
Feeling like I'm waiting,
Modern times,
Valentines,
Hating,
Hating to distraction.
Just leave them alone,
Whipcrack,
Girls in the back,
Girls in the back.

I want to get straight.
I want to put you through -
Cos in a caravan
You orchestrate your moves
Stealing a youth.
I wanna get straight,
I wanna put you through -
Cos in a darkened room
You orchestrate your moves.
Whipcrack.
Girls in the back,
Girls in the back.

Girls in the back get higher higher,
Boys in the back go toot toot toot.
Girls in the back,
A sick desire,
Pantomime of night.
Crack.
Whipcrack.
Girls in the back
Girls in the back, ay yi ay yi ya,
Boys in the back go toot toot toot.
Fucking man's a liar liar,
Pantomime of night.
Crack.

Whipcrack.
Girls in the back
Falling away
Girls in the back

I wanna get straight,
Oh Roly break his bones,
Cos in a darkened room,
You should've left them alone -
Cos this is a home.
They wanna get straight,
They wanna get free.
You made a porno of the nativity.
Whipcrack.
Girls in the back.

Girls in the back get higher higher,
Boys in the back go toot toot toot.
Girls in the back,
A sick desire,
Pantomime of night.
Girls in the back, ay yi ay yi ya,
Boys in the back go toot toot toot.
Fucking man's a liar liar,
Pantomime of night.

Falling away
It's getting late
Falling away
Falling away
It's getting late
Falling away
But feeling this time
But feeling this time
Girls in the back.
