Breathe,
Breathe In
Breathe In
Breathe In
Breathe,
Breathe In
Breathe In

One,Two,three,four
push my foot right through the door
show my shit to the world
best damn song I ever did hear.

I spell it out in black and white
you're stupid tarred and featherlight
you're naked tucked and erritude
in nothing that can save you now
nothing that can save you now

Penetrate, can tear at any moment
Penetrate, can tear at any moment

I don't know why I even care
you don't know why you're standing there
you don't know what you're looking at
so look at me
and shut your mouth before you trip trip trip

Hippy scum
he fucked your mum
when he was young the drugs were done
in shimpling place
a different race
who's your dad
a gypsy lad
a working man without a plan.

Breathe in
you gotta read my clues for you to follow
cos when everything goes black again
nothing really matters anymore
could tear at any moment

penetrate
could tear at any moment
attack attack.

Hippy scum
he fucked your mum
when he was young the drugs were done
in shimpling place
a different race
who's your dad
a gypsy lad
a working man without a plan.
