Oh I think I smell a rat

I think I smell a rat

all you little kids

seem to think you know

just where it's at

I think I smell a rat

walking down the street

carrying a baseball bat

I think I smell a rat

Oh I think I smell a rat

I think I smell a rat

all you little kids

seem to think you know

just where is at

I think I smell a rat

treating your mother and father

like a welcome mat

I think I smell a rat
