I'm walkin' through streets that are dead  
Walkin' with you in my head  
My feet are so tired  
And my brain is so wired  
And the clouds are weepin'  
Did I hear someone tell a lie  
Did I hear some long distant cry  
I spoke like a child  
You distoryed me with a smile  
While I was sleepin'  
Well I'm sick of love  
But I'm in the thick of it  
I'm sick of love  
Well I'm lovesick  
I see  
I see lovers in the meadow  
I see  
I see silhouettes in the window  
I watched till they're gone  
But they keep me hangin' on  
To their shadow  
Well I'm sick of love  
I wish I never met you  
This kind of love  
Oh, I'm trying to forget you  
Just don't know what to do  
I'd give anything to  
Be with you
