We started living in an old house  
My mind gave birth and we were checking it out  
It was a baby boy  
So we bought him a toy  
It was a ray gun  
And it was 1981

We named him "Baby"  
He had a toothache  
He started crying  
It sounded like an earthquake  
It didn't last long  
Because I stopped it  
I grabbed a rag doll  
Stuck some little pins in it

Now we're a family  
And we're alright now  
We got money and a little place  
To fight now  
We don't know you  
And we don't owe you  
But if you see us around  
I got something else to show you

Now it's easy when you don't know better  
You think it's sleazy?  
Then put it in a short letter  
We keep warm  
But there's just something wrong with ya  
Just feel that you're the hardest little button to button

I had opinion that didn't matter  
I had a brain that felt like pancake batter  
I got a backyard with nothing in it  
Except a stick, a dog  
And a box with something in it

The hardest button to button (x4)  
Ah oh

The hardest button to button (x2)

Ah oh

The hardest button to button (x4)

Ah oh
