We're the band you gotta hear
We're sitting around drinking beer
It gets kind of smoky around here
So come a little closer so I can sneer:

?Hey Ho, Prog?s got to go
Its all a little dead, it?s the close of the show.
We?re trying, we?re dying, we?re crying for you
Move along little doggy its time to undo

The mess you?ve created, the dead bands that still live
on
There?s more fish to fry, it?s a pretty big pond.
So come over to us, the dark side of ?The bomb?
And visit us soon at ?
