My bitches wanna rock this shit  
They know the time is NOW RIGHT NOW!  
No doubt that they got the weak shit  
All the suckas magnified by a  
MILL-ION TIMES!  
Now do you see, twisted in your mind  
YOU KNOW IT! YOU LOVE IT! YOU BOUGHT IT! RIGHT  
NOW!  
No way in hell I can compete with this  
I know I hit the bottom because all my friends are in it

Yo does it make you nervous?  
Oh it makes me nervous  
Does it? Does it? Does it? Does it? Does it make you  
nervous?  
Yo it makes me nervous  
Yes it makes me nervous  
Does it? Does it? Does it? Does it? Does it? Does it?  
Does it?

BROOKLYN!!! YOU AINT NOTHIN!!!

BROOKLYN!!! YOU AINT NOTHIN!!!

Yall leave me hookin with tha truth and the fact  
No beat location gonna elevate the wack  
Suspension of the disbelief no longer in tact  
I know what I hate and I hate where it's at
