You know it - you know that
I got the boom with the bit and you babies gonna flip -
yo yo yo
You know it - you know that
I got the balls in the sack and the crackers in my crack -
yo yo yo
You know it - you know that
Because it's on - yo it's on motherfucker
Oh it's on - yo it's on motherfucker
Oh it's on - yo it's on motherfucker
With that cocaine
Balls and the fresh and the babies in my crack - yo yo
yo
I've been frank enough and in the way I have returned
it to you
I got me right where I want
I got me very very hot because it's
On - oh it's on motherfucker
Yo it's on - oh it's on motherfucker
Yes it's on - oh it's on motherfucker
With that cocaine
Balls and the fresh and the babies in my crack - yo yo
yo
I've been frank enough and in the way I have returned
it to you
I got me right where I want
I got me very very hot because it's
On - oh it's on motherfucker
Yo it's on - oh it's on motherfucker
Oh it's on - oh it's on motherfucker
With that cocaine
And you got it
And you got it
Toupee, toupee
