"Do Unto Others Part 2"

You did this to me
You did this to me
You did this to me
You did this to me, and now I'm doing this unto you

I'm doing this unto you
I'm doing this unto you
I'm doing this unto you
I'm doing this unto you

Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself

Unto yourself . . .
Unto yourself . . .
Unto yourself . . .

Every day (I ask why)
You were picked to be
It could have been me (it should have been me)
Up on the cross doing it unto you!

I'm doing this unto you!
I'm doing this unto you!
I'm doing this unto you!
I'm doing this unto you!

Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself
Unto yourself . . .

Unto yourself . . .
Unto yourself . . .
Unto yourself . . .

Mary and me were both fucked by God
Mary and me were both fucked by God
Mary and me were both fucked by God
Mary and me were both fucked by God

Fucked by God!
Fucked by God!
Fucked by God!
Fucked by God!

Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself
Do unto others as you would have them do unto
yourself

You did this unto me, and now I'm doing this unto you
You did this unto me, and now I'm doing this unto you
You did this unto me, and now I'm doing this unto you
You did this unto me, and now I'm doing this unto you
