There's nothing you can d-d-d-d-d-d-d-d-d  
There's nothing you can do that I have not already  
done to myself

I never wanted to dance with nobody not you  
I never wanted to dance with nobody but you  
I never wanted to dance with nobody but you  
I never wanted to dance with nobody but you  
I never wanted to dance with nobody but you  
I never wanted to dance with nobody but you  
I never wanted to dance with nobody but you  
I never wanted to dance with nobody  
But you wouldn't take no for an answer you fucking  
bitch

Be nice!  
Be nice to me  
Don't let me be  
Be nice!  
Be nice to me  
Don't let me go  
I am too cool for the second grade  
I'm amazed  
I'm afraid  
I am too cool for the second grade  
There ain't nothing  
You can do  
That I have not already done to myself

There is nothing you can do that I have not already  
done to myself  
There is nothing you can do that I have not already  
done to myself  
There is nothing you can do that I have not already  
done to myself  
There is nothing you can do that I have not already  
done to myself

I never wanted to dance with nobody not you  
I never wanted to dance with nobody but you  
I never wanted to dance with nobody  
But you wouldn't take no for an answer you fucking
