White wall,
White wall,
White wall plaster,
Never catch on,
The white wall plaster,
I never catch on,
Always have to do it with a little long john,
A white wall plaster,
It never catches on,
We right it in pink,
With the walls,
And the balls and the freedom,
And the bink and the walls,
And the balls and the freedom,
An the bink and the walls with the stripes and the Fritos,
Cause the white wall never catch on,

Let me introduce myself
Let me introduce my bad self
Hundred beats per minute baby
Don't mean shit to me - to me,
This ain't no blast - this ain't no blast - this ain't no blast
from the past
Future - oh ah - this ain't no blast from the past
Future, uh uh uh uh uhhhh
No future, future, future, future, oooo
Your future future, future, future
My dick's the bomb
My dick's the bomb - baby, baby, baby,

Let me introduce myself
Let me introduce my bad self
Hundred beats per minute baby
Don't mean shit to me - to me, to me
This ain't no blast - this ain't no blast - this ain't no blast
from the past
Future - oh ah - this ain't no blast from the past
Future, uh uh uh uh uhhh
No future, future, future, future
Your future, future, future, future
This ain't no blast from the past
My dick's the bomb

My dick's the bomb baby, Baby, Baby,
Let me introduce myself,
Let me introduce my bad self,
Hundred beats per minute baby,
Don't mean shit to me, to me,
This ain't no blast,
This ain't no blast,
This ain't no blast from the past,
Future,
Oh ah this ain't no blast from the past,
Future,
Ah ah ah ah ah ow,
Your future, Future, Future, Future, Ow,
Your future, Future, Future, Future, Ah,
This ain't no minute for me.
