What the, what the, what the, ow
What the, what the, what the, ow

Smoke my guns, I kill your peoples
I said to do it, sir
Smoke my crack, I kill your babies
He said to do it, sir

Every single day I got the white man working for me
Harry, Harry, Harry, Harry, Harry Truman
Every single day I got the white man working for me
Harry, Harry, Harry, Harry, Harry Truman, Truman
Harry Truman, ow, Harry Truman, ow

Shuffle the deck for me, baby
Shuffle the deck for me, man
Shuffle the deck for me, baby
Shuffle the deck for me, man

Are you crazy?
Are you crazy?
Are totally insane?
Say, are you crazy?

Are you crazy?
Are totally insane?
Now, are you crazy?
Are you crazy?

Are totally insane?
Say, are you crazy?
Are you crazy?
Are totally insane now?
