Im just another little faggot with a problem
Fuckin' around over someone elses hard on
I got the balls with the foul smelling dj
Suckas can reach out and touch me and eat me
I lick clit i like it
Lookin' for love in all the wrong places
Black ala mode with the mummified faces
Am i animal, vegetable, mineral, or ugh
Im a bad ass, tell me im a bad ass
I don't need you and i don't need a break
If i wasn't here, I'd be out gettin' laid
Please, please please play the whole damn song
A two minute song is just one minute and fifty nine
seconds too goddamn long
Yeah yeah yeah yeah yeah
I hate jimmy page
Yeah yeah yeah yeah yeah
Kick us faggots off the stage
Yeah yeah yeah yeah yeah
Bite the future and fuck the past
Yeah yeah yeah yeah yeah
Cause my whole shit will never last
I hold the microphone with my butt now
Who like that song five year old pantyshot
Yeah yeah dat could be a real big record
Cause it's got the bump with the molestation
Im lower than most animals
And fear what might be weird
And all those voices in my head
Have every right to be there
I aint a girl just cause i rock the boat
I aint a boy just cause i rock your world
Bad boy, don't you fuck my dolly
Ill kiss my ass with a muthafuckin' smile on my face
And i get real stupid and you and you and you can't
stop me
Ill show ya how official midgets jack me off
Yeah yeah yeah yeah yeah
I hate jimmy page
Yeah yeah yeah yeah yeah
Kick us faggots off the stage
Yeah yeah yeah yeah yeah

Bite the future and fuck the past
Yeah yeah yeah yeah yeah
Cause my whole shit will never last
One day im a do the fuckin' ohhhhh
Im a screw the fuckin' ohhhh
No cheese below is gonna show you who you is
And there's no need to ask it
Put this out his back
And he wont break the shit
I said that he's nothing
I said that he's nothing
I make the laws
I be the lawmaker
When you looks me upside down
Don't forget to fuck yourself
Youre so wrong with yo' jive you don't know me
Why the hell you come to gimmie this
Your so wrong with your jive now
There are some thigns in life i don't like
And thus is what i just did
So i took a big hit of who the fuck give a shit
Yo not i, i am destined to die
And ADD to me means you don't have to ask me why

Yeah yeah yeah yeah yeah
I hate jimmy page
Yeah yeah yeah yeah yeah
Kick us faggots off the stage
Yeah yeah yeah yeah yeah
Fuck the future and bite the past
Yeah yeah yeah yeah yeah
Cause my whole shit will never last
Ill show you how offical midgets fuck me off, oh baby
Ill show you how offical midgets jack me off, oh baby
with the..
Ill show you how offical midgets jack me off
Ill show you how offical midgets jack me off
