i can handle this but i cant handle anything else
its my own mistake its based on me and not on my
grades
its the little things in my pants that were all livin' for
i never really knew what that thing down there was
used for
yo yo yo yo yo yo
i kill the rock rock rock rock rock
yo then she killed my brain brain brain brain brain
brain brain
nothing hurts anymore
nevermind...then she killed my
you wicked gay but then today i think ill be hardcore
if i forget to take my medicine then ill be sick
im so hot to trot, i'm stealing all my beats from the
blacks
and from all of the young girls is where i steal my act
yo yo yo yo yo yo
i kill the rock rock rock rock
yo then then she killed my brain brain brain brain brain
brain brain brain
nothing hurts anymore
nevermind...then she killed my brain
i cant stand it
i cant stand it
i cant stand it
i cant stand it
if im so wonderful then why am i so misunderstood
everybody has a reason for it except me
its the little things in my pants that were all waiting for
i never really knew what that thing down there was
used for
yo yo yo yo yo yo
i kill the rock rock rock rock rock
yo then she killed my brain brain brain brain brain
brain brain
nothing hurts anymore
nevermind...then she killed my
