I am the mastermind
Leaving you all behind
And that aint no fucking lie

I am the mastermind
It's just a problem of mine
It's like columbine
Co-lum-bine

Your time has come
Kiss it all good-bye
Your time has come
Kiss it all good-bye

Whats that ruckus
Whats that ruckus
Whats that ruckus
Coming through the night
Thats right
Thats right
Thats right
This Message cannot be denied

Whats that ruckus
Whats that ruckus
Whats that ruckus
Coming through the night
Thats right
Thats right
Thats right

I am the mastermind
Underline mastermind
Until your pencil breaks

I am the mastermind
Just like a suicide
Your Credit has been denied
De-nied

Your time has come
Kiss it all good-bye

Your time has come
Kiss it all good-bye

Whats that ruckus
Whats that ruckus
Whats that ruckus
Coming through the night
Thats right
Thats right
Thats right
This shit gonna turn your mamma white

Whats that ruckus
Whats that ruckus
Whats that ruckus
Coming through the night
Thats right
Thats right
Thats right

Oh Pennsylvania
Oh Pennsylvania
Oh Pennsylvania
Oh Pennsylvania

I am the mastermind
Intelligent by design
It makes me wanna cry

I am the mastermind
And now that im satisfied
It's time to say goodbye
Good-bye

Your time has come
Kiss it all good-bye
Your time has come
Kiss it all good-bye

Whats that ruckus
Whats that ruckus
Whats that ruckus
Coming through the night
Thats right
Thats right
Thats right
I will not apologise

Whats that ruckus
Whats that ruckus
Whats that ruckus

Coming through the night
Thats right
Thats right
Thats right
