Jesus christ almighty beanchild
Me gonna toss it like dis water
Me got the good girl and a good girl with a posse
posse
Got the good girl and a good girl me gonna squish it
squish it

Good girl drive far animal what the fuck
Non-stop heavy rock eat shit suck cock
God it's so awesome that you came here
I wanna give you some drugs and I hope that you
like'em baby

Because I ain't no light weight... go
Pussy all night come on get some

Watch me now I'm gonna bounce it like a chicken
Commez talle vous ce va talle vous ce va
Me be the phenomenon phenomenomenon
Commez talle vous ce va talle vous ce va

I feel good I feel light weight
I feel good when I get down
Rock the boat the boat and then you rock the body baby
Rock the boat the boat and then you rock the body with
the
I feel good I feel soft

Come on now give me a slice giddyup now
God it's so awesome that you came here
I wanna give you some drugs
And I hope that you like the flava

Because I ain't no light weight
Go no wait stop
Now is upon the time in which we break dance

Pussy all night come on get some
