I know I feel this way forever
I know no one will beg to differ
Goodbye, so long, it's been a pleasure
Repeat this when I say that

I don't want you to hate me
I want you to wanna hate me
I don't want you to date me
I want you to wanna date me

I wanna pay for it
All of this shit
I wanna pay for it
Like a goddamn son of a bitch
I wanna pay for it
All of this shit
I wanna pay for it
Like a goddamn son of a...bitch
Hey! yeay! Hey! Yeay! yeay!

Never gonna be perfect
No, never gonna be, never good enough
No, not for me

I know I feel this way forever
[No, never gonna be, never good enough, not for me]
I know no one will beg to differ
Repeat this when I say that

I don't want you to hate me
I want you to wanna hate me
I don't want you to date me
I want you to wanna date me

I wanna pay for it
All of this shit
I wanna pay for it
Like a goddamn son of a bitch
I wanna pay for it
All of this shit
I wanna pay for it
Like a goddamn son of a... bitch

Hey! yeay! Hey! Yeay! yeay!

Never gonna be perfect
No, never gonna be, never good enough
No, not for me

I know I feel this way forever
[No, never gonna be, never good enough, not for me]
I know no one will beg to differ

Too bad nobody never heard me, baby
It is aggressive, that's the message we [sing]

I don't want you to hate me
I want you to wanna hate me
I don't want you to date me
I want you to wanna date me

I wanna pay for it
All of this shit
I wanna pay for it
like a goddamn son of a bitch
I wanna pay for it
All of this shit
I wanna pay for it
Like a goddamn son of a... bitch
Hey! yeay! Hey! Yeay! yeay!
