I know I'll feel this way forever  
I know no one will beg to differ  
Goodbye, so long, it's been a pleasure  
Repeat this when I say that

I don't want you to hate me  
Oh no  
I want you to want to hate me  
I don't want you to date me  
Oh no  
I want you to want to date me

I wanna pay for it  
All of this shit  
I wanna pay for it  
Like a goddamn son of a bitch  
I wanna pay for it  
All of this shit  
I wanna pay for it  
Like a goddamn son of a bitch

Never gonna be perfect  
No never gonna be  
Never good enough  
Not for me

I know I'll feel this way forever  
No never gonna be  
Never good enough  
Not for me  
I know no one will beg to differ  
Repeat this when I say that

I don't want you to hate me  
Oh no  
I want you to want to hate me  
I don't want you to date me  
Oh no  
I want you to want to date me

I wanna pay for it  
All of this shit

I wanna pay for it  
Like a goddamn son of a bitch  
I wanna pay for it  
All of this shit  
I wanna pay for it  
Like a goddamn son of a bitch

Never gonna be perfect  
No never gonna be  
Never good enough  
Not for me

I know I'll feel this way forever  
No never gonna be  
Never good enough  
Not for me  
I know no one will beg to differ

Too much of nothing never hurt me baby  
It is aggressive that the message reads:

I don't want you to hate me  
Oh no  
I want you to want to hate me  
I don't want you to date me  
Oh no  
I want you to want to date me

I wanna pay for it  
All of this shit  
I wanna pay for it  
Like a goddamn son of a bitch  
I wanna pay for it  
All of this shit  
I wanna pay for it  
Like a goddamn son of a bitch
