me like to go down to the church  
and drink some holy water  
but I don't like it..  
the priest don't like it  
but me can't seem to help it

sail away - oh - away - oh  
you live me life free like a birdie  
cause me like to sing  
me likes what me do  
and me can't seem to help it

i went to the zoo and saw some monkeys  
hoo-hoo hoo hoo  
hoo hoo hoo hoo-hoo

i went to the zoo and saw some monkeys today  
hoo hoo hoo hoo-hoo  
i saw the giraffe but he didn't make any sound

sometimes me bad... oh, i forgot the words... um...  
oh - we all going on a field trip -  
a field trip -  
a field trip -  
a field trip -  
a field trip -  
a field t-trip -  
a field trip -  
a field trip -  
a field trip

Mr. Lonie is gonna be the true  
Mr. Harry, he drives the van  
sometimes me bad... eat me dental floss  
pull him... pulling Jesus from the cross  
- touch me thing

sing somebody stole my Amy Grant records today  
me think me turn 22 today  
will somebody get me a present cause I turn 22 today  
but they're not as pretty as Barbara Mandrel

then the milkman came  
the milkman came and he took them fish  
he took them fish  
now me crying - me crying  
the milkman make me cry..  
then the mailman came

make me pee-pee on the floor  
hide me sandwich in me drawer  
the... hit my head against the door  
this is some kind of dream

me likes to go down to the park  
and take them nuts from them squirrels  
and... you know what?  
time is...  
it's the closet for me  
the closet for me  
it's so dark me cannot see  
it's the closet for me  
the closet for me  
Mr. Harry said that will teach me

No, I don't want to do the special olympics one  
my friend's the seat on my toilet  
and he always seem to shout at me  
oh-oh, mister, don't you pee on me  
when I'm shitting it's a totally different story  
then he doesn't seem to play me mind  
he's not afraid of my fat behind  
and on the unfortunate occasion  
when I miss the bowl and pee on him  
lets me off with a smile and a warning  
don't do it again
