Now's the time for you to rip me
make yourself
Feel like a

Oh my god you're doing it
No, no, no it's like

1,2,3,4

We will be exonerated
This one cannot be debated
This much i have estimated
You will thank me much much later
Much, much, much later

Now's the time for you to rip me
make yourself
Feel like a

Oh my god you're doing it
No, no, no it's like

lick my fat ass
We will be exonerated

This one cannot be debated
This much i have estimated
You will thank me much much later

Much, much later

We ripped everything we know from everybody anyway

Now, now, now we've gone and lost our war tank
I wanna -- in
Yo I wanna -- in

1,2,3,4

We will be exonerated
This one cannot be debated
This much i have estimated

You will thank me much much later
