Chuck it - you son of a bitch
Mom, dad, why don't you finger me too?
I can't say the same for me - you son of a bitch
I could be so fucking cool
I will never be young
I will never be loved
I will never be wrong
So i am royally fucked - i am royally fucked
I love it - you son of a bitch
All of them dead now, let me be the same
Oh oh - one two, one two - fall on my knees
I will never be young
I will never be loved
I will never be wrong
So i am royally fucked - i am royally fucked
Ok - ok - ok - don't let them see me now
Don't let them see me like this
I will never be young
I will never be loved
I will never be wrong
So i am royally fucked - i am royally... i am royally... i
am royally... fucked
