Girls from 7-11 stay up all night
24 hours a day
I say girls from 7-11 stay up all night
7 whole days a week
I say girls from 7-11 stay up all night
And I can get a discount
She may not be good-looking
She may not be good no, no, no
She might not get down with the pussy
But she stays up all
Niiiight
She stays up all
Niiiight
Girls from 7-11 stay up all night
24 hours a day
From 7-11 stay up all night
7 whole days a week
From 7-11 stay up all night
And I can get a discount
She may not be good-looking
She may not be good no, no, no
She might not get down with the pussy
But she stays up all night
A woo hoo hoo
A woo hoo hoo
She may not be good-looking
She may not be good-looking
She may not be good-looking
But she stays up all
Niiiight
She stays up all
Niiiight
She stays up all night
She stays up all night
She stays up all night
She stays up all
Niiiight
She stays up all
Niiiight
She stays up all
Niiiight

She stays up all night
