Station Wagons are my favorite things
Cus they're made of wood paneling,
Paneling, wood paneling,
Wood paneling paneling.

Station wagons are my favorite things,
Cus they're made of wood paneling,
Paneling, wood paneling,
Wood paneling paneling.

Station Wagons are my favorite things,
Station Wagons are my favorite things,
Station Wagons are my favorite things

Cus they're made of wood paneling
Paneling wood paneling,
Wood paneling paneling.
