2 hookers and an 8 ball

2 hookers and an 8 ball
I can't believe that I write this shit
2 hookers and an 8 ball
Muthafuckers thinkin' I am cool

I definately give myself props
And that way I always get what I want
(muthafucker)
I'm struggling try to keep my edge
With 2 hookers and an 8 ball
Nigga for all the stolen goodz
As I rock that nigga to get
Freaky deaky with a front row ticket
For all a my bitches

2 hookers and an 8 ball
I can't believe that I write this shit
2 hookers and an 8 ball
It ain't that fucking hard

I'm standing up to all my abuse
Experience is where I lose
(muthafucker)
I'm struggling to keep my edge
With 2 hookers and an 8 ball
Babys for all the fine ladies
Fallin out a my mercedes
And into the 80's
With a high case of rabies
And a High shot beat!

2 hookers and an 8 ball
Can you believe that I write this shit
2 hookers and an 8 ball
Muthafuckers thinkin' I am cool

How 'bout that coke?
You want that coke?
Oh, oh, oh
I thought I told ya to stop

What da cocaine?
What da fuck?
Oh, ah, ah
I thought I told ya to go
How bout that coke?
What da fuck?
Oh, ah, ah
I thought I told ya give up

Puppy dog
Puppy dog

8 ball niggas for all the fat ladies
Fallin out a my mercedes
And into the 80's
With a high case of rabies
And a High shot beat!

2 hookers and an 8 ball
I can't believe that I write this shit
2 hookers and an 8 ball
Muthafuckers thinkin' I am cool

2 hookers and an 8 ball
I can't believe that I write this shit
2 hookers and an 8 ball
Muthafuckers thinkin' I am cool

Everybody who's famous sucked a dick to get where
they are today. Only difference between us and them?
We swallowed it.
