I wonder when its gonna stop being fun for me
I wonder when its gonna stop being fun for me
I wonder when its gonna stop being fun for me
Five fucking seconds from now
I really need to quit before it all turns to shit
I really need to quit before it all turns to shit
I really need to quit before it all turns to shit
Too fucking late for that
They said my first cd was my best one
And that other shit was dissapointing at best
Me likes watching it go down in flames
Not my fault
I blame it on the industry
Rock my hole
Well since you put it that a way
They were right
My shit is wack
Down to defy niggaz
And my double wide niggaz
My shit is wack
I wonder when i really stopped being good at this
I wonder when i really stopped being good at this

I wonder when i really stopped being good at this
Was I ever good at this
I know its shit but it is something i will not admit
I know its shit but it is something i will not admit
I know its shit but it is something i will not admit
Too fucking bad for you
Down to defy niggaz
And my double wide niggaz
My shit is wack
Down to defy niggaz
And my double wide niggaz
Me likes watching it go down in flames
Not my fault
I blame it on the industry
Rock my hole
Well since you put it that a way
They were right
My shit is wack
My shit is wack

Down to defy niggaz
And my double wide niggaz
My shit is wack
Down to defy niggaz
And my double wide niggaz
Suicide
