Your love is a 187, takin me to heaven
It's killin me your love should be this good

Baby I gots to take this time to give you props
Cuz you been makin me scream so loud
That my neighbours call the cops
Your like a gangstress of love
So baby come and put your hit on me
Your shot is a bomb and I'm always down for your l.u.v

Your love is a 187, takin me to heaven
It's killin me your love should be this good
Your love is a 187 takin me to heaven
Your love is so good, your love

Baby the things you do should be against the law
But there aint no law that says that you can't
Break me off, baby you can pump like a gauge
Or go faster than an automatic tank
That's why a 187 is the way I describe your sex

Your love is a 187, takin me to heaven
It's killin me your love should be this good
Your love is 187 takin me to heaven
Your love is so good, your love

When your humpin and your thumpin
And your makin those sounds
Moanin and groanin baby, yeah
Hope your? tight, cuz were moving all around
Were movin up and down
Well I know you got the feelin when your callin my
name
I can hear you call my name, over and over and over
again
Don't stop me there, don't stop me there

I'm yearnin for your 187, drop the bomb on me
I'm yearnin for your 187 baby drop the bomb on me
I'm yearnin for your 187, drop the bomb on me
I'm yearnin for your 187 baby by drop the bomb on me
