Like the dawn breaking, the light came shining through
And a heart broken is now a heart given to you
But still there's something deeper, something
more than gratitude
And it's saying, saying, saying, there's
so much more that we can do

We've got a love calling, a love calling
Oh, we've got a love calling 'cause we
hear love calling

Ah, there's a new wind blowing since
we've been given this call
When your spirit's leading, oh, it
doesn't feel like a burden at all
There are still lands locked in darkness
There are hearts like an empty room
And we'll never know how to help them until,
Father, we listen to You

We've got a love calling, a love calling
Oh, we've got a love calling 'cause we
hear love calling

Like the rustle of an autumn breeze
I can hear You whisper inside of me
And I know, in my heart of hearts I do believe
Now I'm thanking You for giving me

A love calling, oh, a love calling
Oh, we've got a love calling 'cause we
hear love falling
Calling for a new vision, oh, a heart mission
Oh, and it's drawing, it's drawing us
'cause we hear love calling
(Love calling)

Do you hear His love calling?
Do you give yourself away?
Oh, do you feel He's drawing you nearer?
Do you feel Him drawing near you?
