To a glorious time
Man in the image of God
Living in paradise

He had a plan
Than we played our hand
And for all that we lost
He paid the cost
in His ultimate sacrifice

In the heart of a world
Full of deception
Paradise lost
Had been redeemed
Love undeserved
Had made an exception
The key to our survival
Was all in the arrival of a King

Paid are the debts
We had owed for so long
Embraced by the Kingdom of God
A place where we all belong

He opened the door
Still it takes something more
Surrender our hearts
That's where it all starts
It's our ultimate sacrifice

In the heart of a world
Full of deception
Paradise lost
Had been redeemed
Deep in the heart
Must be a reception
The key to our survival
Is all in the arrival of a King

Now look ahead to a glorious time
