Caught in a summer rain
But I don't run for cover
I stand out in the shower
Rain running over me, I could stay for hours

And though the sky is dark
And there's a shadow on the land
The rain comforts me
It is the touch of His hand

And I feel His love pouring down over me
Warm healing waters that set me free
Safe in the arms of eternity
Held by the wonder and mystery

Over me
Over me
Over me

Know that I'm not dreaming
Real what I'm feeling
Mercy flowing down on me
Rainbow of new meaning

And it is a holy sign
That there's Someone up above
So now I open my heart
In the shower of His love

I feel His love pouring down over me
Warm healing waters that set me free
Safe in the arms of eternity
Held by the wonder and mystery

Over me, over me
He poured out His life over me
Over me, over me
I'll pray

So now I open my heart
In this shower of His love

I feel His love pouring down over me
Warm healing waters that set me free
Safe in the arms of eternity
Held by the wonder and mystery

Over me, over me
Oh my Lord, I do believe
That You gave, gave it all
Over me

Love is pouring down over me
I feel His mercy flowing over me
Oh, the wonder and mystery
How His love pours over me
