You don't need to be a wizard to see
it's a dangerous world
We're living in a desert, everywhere the people
get burned
So where do we go now to follow our heart's
desire?
To make our faith stronger and lift us out of the fire?

Powerhouse, the powerhouse
Powerhouse, we need the powerhouse
Powerhouse, ooh, the powerhouse
Powerhouse, we need the powerhouse
Come to the powerhouse

Hey brothers and sisters, oh, I'm gonna meet
you there
You know there's strength in numbers
When we come to the house of prayer
We're not looking for weapons, we're
looking only for love
We've come to hear a message, let the word
rain down from above

Powerhouse, ooh, the powerhouse
(Come to the powerhouse)
Powerhouse, we need the powerhouse
(Come to the powerhouse)

Powerhouse, ooh, the powerhouse
Powerhouse, we need the powerhouse
Come to the powerhouse

Power, power, power, power
Power, power, power, power

Powerhouse, ooh, the powerhouse
(Come to the powerhouse)
Powerhouse, oh yeah, we need, we need, we need, we
need, we need it
Power, come to the powerhouse
Powerhouse, we need the power
