It's night, you are in your room  
But you're not at home, you never felt  
So alone  
One, their dreams were one  
They were so in love, but it wasn't enough  
Now your future is divided, they live on  
Separate streets  
Your heart's suspended somewhere  
In between

Somehow, you must find the release  
Let go of your grief  
Find hope for tomorrow  
Somewhere in the depths of your soul  
Is His peace you must know  
When your heart is somewhere in between  
Torn between the two  
They're fighting for your heart, and it  
Pulls you apart  
Love, you ache to love  
But you are filled with doubt, it seems  
There's no way out  
But you are just a victim, you are not  
To blame  
It's not for you to carry all that shame

Somehow, you must find the release  
The end of your grief  
The hope for tomorrow  
And somewhere, in the depths of your soul  
Is His peace you must know  
The river that flows with love  
Love, the love of our Father  
Through every hour you'll know...

Somehow, in His arms of peace  
You will find your release  
The hope for tomorrow  
Somewhere, in the depths of your soul  
That river will flow  
When your heart is somewhere in between
