Having said what I needed to,
Having shown what I feel for you,
What my intentions have been today.
Now it's time for you to do the same.
And no love can be guaranteed.
It don't come with no warranties.
It's a leap you have to make.
It's the risk we all must take.

Well it's clear where the cutting line
Woke up deep for the longest time.
But I can't offer any help.
You must do this all by yourself.
And no love can be guaranteed.
It don't come with no warranties.
So wake up, or wake up alone.
If you want me, show some
Courage, courage, courage, courage,
Courage, courage, courage, courage,
Courage, courage, courage, courage,
Courage, courage. Show some
Courage, courage, courage, courage,
Courage, courage. Show some
Courage, courage, courage, courage,
Courage, courage.
