Don't get upset
Don't make a fool of yourself
Don't lose your head
Please, get a grip on yourself

There's nothing else you can do
There's nothing else you can do
There's nothing else you can do
There's nothing else you can do

You may well say
How could this happen to you
You may well ask
And you may not like the truth
Why is it always to you?
Why does this happen to you?

So cut it up
Wrap it up
Outta luck

Outta luck
