Boy, you drive me crazy
You sure got a lot of nerve
The way you take your sweet time
All around me like your work of art

Who said you know me so good?
You're a dangerous angel
Should have seen right from the start
Still I'd never change you anyway

You've got me dancin' on the smooth edge
You've got me dancin' on the smooth edge
Hearts on fire filled with desire
And I'm waiting for the words you say

On the smooth edge
On the smooth edge

So funny how the night just slips on by
In a long slow dance with you
Crazy how you keep on leading me boy
To a place beyond taboo

You're a cool persuader
Hey don't you have no shame
Still I'm gonna take you anyway

You've got me dancin' on the smooth edge
You've got me dancin' on the smooth edge
Hearts on fire filled with desire
And I'm reaching for your every move

Dancin' on the smooth edge
On the smooth edge
Smooth edge, smooth edge
Oh, oh you're an angel, yes you are

You've got me dancin' on the smooth edge
You've got me dancin' on the smooth edge
Hearts on fire filled with desire
And I'm deeper, deeper in love with you
Dancin' on the smooth edge
