Something's wrong  
I don't understand  
The way I feel  
I don't know just where I am  
There is some mistake  
What am I doing here  
Away from you  
Where I belong

It isn't fair  
Keeping us apart  
And in return  
I'm left with just my broken heart  
I close my eyes  
I feel you close to me  
I'm in your arms  
Where I belong

Eternal Love  
Is all that I have to give  
It's only for you I live  
You're all that I've got  
Just say you love me  
And that no one else  
Can ever make you feel the same

Something's wrong  
I just don't understand  
I've never felt this way  
For any other man  
My only dream  
My one reality  
My pledge to you  
Eternal Love {Eternal love, Eternal love, Eternal love....}  
All that I give you is  
All that I have  
Oh baby take me in your arms {I remember, I  
remember, I hear you call my name}

Just say you love me  
And that no one else  
Can ever make you feel the same {Oh no, Oh no, Oh

no}  
No one loves you like I love you  
No one loves you like I do

It's just not fair  
You can't keep me away  
Cause I won't give you up  
I've got to get you back today  
My only dream  
My one reality  
My pledge to you  
Eternal Love {Eternal love, Eternal love, Eternal love....}

{Eternal love... Eternal love... Eternal love....}

Eternal Love Sweet Baby  
{Nobody loves you like I love you} Nobody loves you  
like I love you  
{Nobody loves you like I do} Nobody loves you like I  
love you  
{Nobody loves you like I love you} Nobody loves you  
like I love you  
{Nobody loves you like I do} Nobody Baby

Eternal Love....Eternal Love...Baby

Eternal Love...
