### VERSE 1

Think about it

There must be higher love

Down in the heart or

Hidden in the stars above

Without it, life is wasted time

Look inside your heart,

I'll look inside mine

Things look so bad everywhere

In this whole world, what is fair

We will walk the line

And try to see

Falling behind in what could be

### CHORUS

Bring me a higher love

Bring me a higher love

Bring me a higher love

Where's that higher love

I keep thinking of

### VERSE 2

Worlds are turning

And we're just hanging on  
Facing our fear  
And standing out there alone  
A yearning and it's real to me  
There must be someone  
Who's feeling for me  
Things look so bad everywhere  
In this whole world, what is fair  
We will walk the line  
And try to see  
Falling behind in what could be

CHORUS

BRIDGE

I will wait for it  
I'm not too late for it  
Until then I'll sing my song  
To cheer the night along  
I could light the night up  
With my soul on fire  
I could make the sun shine  
From pure desire  
Let me feel that love come over me  
Let me feel how strong it could be
