I'll hold you and touch you  
And make you my woman  
And give you my love with sweet surrender  
Tonight our hearts will beat as one  
And I will hold you, touch you  
And make you my woman tonight  
There's something in your eyes I see  
A pure and simple honesty

Hold me in your arms tonight  
Fill my life with pleasure  
Let's not waste this precious time  
This moment's ours to treasure  
Hold me in your arms tonight  
We'll make it last forever  
When the mornin' sun appears  
We'll find our way together

I believe you when you say that you love me  
Know that I won't take you for granted  
Tonight the magic has begun  
So won't you hold me, touch me  
And make me your woman tonight?  
There's something in your eyes I see  
I won't betray your trust in me

Hold me in your arms tonight  
Fill my life with pleasure  
Let's not waste this precious time  
This moment's ours to treasure  
Hold me in your arms tonight  
We'll make it last forever  
When the mornin' sun appears  
We'll find our way together

I'll hold you and touch you  
Hold me, touch me baby  
Make you my woman  
Make me your woman  
Tonight

Hold me in your arms tonight

Fill my life with pleasure  
There's something in your eyes I see  
Let's not waste this precious time  
This moment's ours to treasure  
Hold me in your arms tonight  
We'll make it last forever  
Something in your eyes I see  
When the mornin' sun appears  
We'll find our way together

Hold me in your arms tonight  
Fill my life with pleasure  
There's something in your eyes I see  
Let's not waste this precious time  
This moment's ours to treasure  
Hold me in your arms tonight  
We'll make it last forever  
Something in your eyes I see  
When the mornin' sun appears  
We'll find our way together
