Share my life  
Take me for what I am  
Cause I'll never change  
All my colors for you  
Take my love  
I'll never ask for too much  
Just all that you are  
And everything that you do

I don't really need to look very much further  
I don't want to have to go where you don't follow  
I won't hold it back again, this passion inside  
Can't run from myself there's no where to hide

Don't make me close one more door  
I don't want to hurt anymore  
Stay in my arms if you dare  
Or must I imagine you there  
Don't walk away from me  
I have nothing, nothing, nothing  
If I don't have you

You see through right to heart of me  
You break down my walls  
With the strength of your love  
I never knew love like I've known it with you  
Will our memory survive  
One I can hold on to

I don't really need to look very much farther  
I don't want to have to go where you don't follow  
I'm hold back again this passion inside I can't run from  
Myself there's nowhere to hide  
Your love I remember forever

Don't make me close one more door  
I don't want to hurt anymore  
Stay in my arms if you dare  
Or must I imagine you there  
Don't walk away from me  
I have nothing, nothing, nothing

If I don't have you

Don't make me close one more door  
I don't want to hurt anymore stay in  
My arms if you dare  
Or must I imagine you there  
Don't walk away from me no,  
Don't walk away from me  
Don't you dare walk away from me  
I have nothing, nothing, nothing  
If I don't have you you  
If I don't have you  
Oh oh oh
